**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic, a competitive provider, because they are always there for me. A person answers the phone and that person answers my questions and sets things right. You don't get this kind of service with the big guys and it means all the world to me. This is not to mention that they keep the cost of their services low. As a retired person on social security that is a must for me.
