**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in a small town, have lived in several parts of California, Oregon and Idaho. This is the first time we have had access to affordable high speed internet. Sure if you were rich you could afford anything anywhere. But if it wasnt for companys like Sonic would still be back in the dark. These companys make it possible, on fixed incomes.

Am handicapped so internet shopping is a must, these companys work for me!
