**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential user of Sonic for my internet and telephone service. This company has not increased its fees for several years unlike my past experience with larger companies that hike their prices on a regular basis. I prefer this smaller UNE user because it competes with larger carriers and gives me an EXCELLENT service, unlike AT&T whose service is amazingly bad for a large and old American company. Fiber optics connection for my home provided by Sonic will greatly improve the quality and speed of my internet and streaming experience.

I hope that you will keep this field competitive.

Thank you.
