**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a large consumer of broadband internet, both for personal and business use. I recently moved to a smaller broadband provider for my home for both pricing and quality (monkeybrains). They have been great to use and I'm so glad for my choice. My bill went from \$175 to \$60 (comcast to monkeybrains).

For my office I am using Sonic as they also have better service and better pricing. The competition is what makes this happen.

Regards,
