**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Small telecoms are the backbone of innovation. The competition makes EVERYONE better. Do NOT limit their ability. I have used the big suppliers for many years and the service kept getting worse, but there was no competition. Now with competition I can choose the best provider, not the ONLY provider.
