**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have DSL provided by a competitive, local company. While they are in the process of building their own distribution network, presently I am required to use our telephone monopoly company's wires to our house. The Internet provider I am now with gives faster, more reliable service, at a lower price, and we depend upon them in my household. Any regulatory movement to hinder this competitive situation would hurt us.
