**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive provider for both internet and phone service. The company I use, Sonic, provides a level of service unparalleled to my other big telecom providers, plus they are local and support local jobs!!! We should be enacting policies to encourage more competition and consumer choice. What is being proposed is the exact opposite and will be harmful to many communities throughout the United States.

Thank you for your time.
