**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For years I was stuck with only AT&T as a provider. They have abysmal customer service and gouged customers on prices. As soon as Sonic was available, I made the switch. Sonic has provided excellent customer service and has never throttled my service like AT&T used to do.

I rely heavily on Sonic for my broadband connection. Going back to the days where AT&T is the only provider would be a great disservice to American consumers.
