**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not allow mega companies to eliminate my choice. I use a local internet/phone provider which has local, not off shore, customer service.

If the giant companies have no local competition, there will be no real customer service and my cost will increase.

If the FCC is about serving the people, and not massive corporations, do not eliminate the competitive market.
