**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is necessary to ensure consumers have choices, and that service providers have a reason to do better for their customers. I as a consumer want to have choices so that if I feel Im not being taken care of, I can show that by choosing to leave. Please make sure to keep regulations in place that enable healthy competition.
