**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a supporter of broadband competition. Before I moved to San Francisco I was stuck with only one big telecom conglomerate internet provider (Comcast) that did not offer fiber internet and their customer service was terrible. Once I moved to San Francisco I was able to get fiber through a local carrier (Sonic). My internet service through Sonic has been much faster with better customer service.

As a technology professional I work from home often and fast reliable internet is critical. Without broadband competition I would be stuck paying more for slower internet and terrible customer service.
