**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have recently changed my residential Internet service from AT&T to Sonic because of Sonic's quality of customer service and technical service, and because of their being a relatively small, local company. I rely on Sonic's Internet services in my daily life, and I oppose USTelecom's petition to the FCC to dismantle key components of the 1996 Telecommunications Act. I strongly support broadband competition.
