**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For years I have been abused by ATT and Comcast in San Francisco. The pricing structures, the continuous price increases and the horrendous service were a genuine nightmare. Sonic net, a small provider has brought a breath of fresh air in the game with a kind service, a competitive stable price and a no-non-sense approach.

I have been happily using them for 10 years and I can not imagine going back to the bullies and being coerced into their unfair pricing models and constant price hikes for less service. Please keep the door open to the small providers who make our lives better and cheaper.

Thank You

Jan Top
