**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

History has shown consolidations and monopolies are terrible ideas for consumers. As we are a land of consumers, broadband competition is the only way to support consumers and innovation in the industry. The Bridge to Broadband is vital to help maintain a competitive environment within the ISP market. Thank you for your consideration.
