**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Good Evening,

I am a working mother of 3 children. Internet is very important in our household. My children use internet for their research & study. My husband & I don't don't earn much just enough for my family to pay for food, house & other expenses. I really support low cost of internet & faster service for us ordinary consumer. I think, more competition in internet provider will help to lower the cost & will improve the service because of healthy competition. I strongly support broadband competition.

Thank you
