**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of frustration with ATT, I signed up with a smaller telecom company, Sonic.net, which I love. Their service is terrific --SO superior to ATT or Verizon's. AND they are less expensive. AND they don't sell any of my information. Please DO NOT PASS US Telecom's petition to dismantle parts of the 1996 Telecommunications Act! It is simply another ploy by a large company to throttle competition so that they have a clear playing field to provide American consumers worse service at higher prices.

Thank you for your consideration,

Harriet Moss
