**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We used to have AT&T, but had terrible service at high prices. Finally we switched to Sonic, and are happy. While high internet prices are not truly a hardship for us, they are for many people, and good broadband is no longer just a luxury. And bad service is bad for everyone. Please don't gut broadband competition.
