**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to my home and business. A competitive environment is critical for me to have choices in terms of cost and quality of service. My building only has DSL with two providers. Only competition will ensure me to have better internet services. I also want competition to drive faster fiber adoption to my home.

Thanks!
