**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer of Sonic which provides fiber internet and telecommunication to my house. Their installation service was superior than other service provider. The telecommunication service was reasonable. The fiber broadband service is very competitive against their major competitors that I would choose from.

I wish they continue their excellent service with competition with other providers.

I oppose the USTelecom petition that will prohibit this competition.

Sincerely,

Seungkoo Yang
