**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family, friends, and neighbors chose a local competitive internet provider. We have been extremely pleased over the years with its outstanding service. And we see more and more neighbors opting for its service.

So, we respectfully ask that you to continue to support broadband competition. It is important that consumers have a right to choose. Why mess with something that works?

Thank you very much. Please support and respect right to choices.
