**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please, save competition! Competition works, and has worked for me.

In the last month I moved from COMCAST to a high speed fiber provider for my Internet and phone, and I am now getting my tv through the Internet. My total monthly bill for the three services has been cut from \$200 to less than \$100 !!!

And service is incredibly better. Besides getting all the channels that comcast was providing I am now getting a favorite channel that comcast had dropped from its line up. I also can get a technician on the phone in less than two minutes, whereas with comcast it took an average of 30 minutes. My new system had never failed, whereas before it was unreliable. I am extremely happy with the switch.

Please, please, please. Don't let the monopolists get their way and help preserve competition.

Thank you for your attention and consideration.

Respectfully yours,

Carlos Daganzo
