**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose to drop Comcast, and use a smaller internet provider. It was the best decision for several reasons. I see Comcast and other giant corporations getting bigger and bigger while the service and product they offer gets worse and more expensive. It is obvious the competition is a good thing in the marketplace, except for the monopolies. When the voice is too big calling the shots, the consumers lose. We see that all over this corporate run country! We all need internet and phone, and to be held hostage by one megacompany while our bill gets higher and higher is not fair.
