**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior citizen in a rural area and I chose to receive broadband services from a local provider called Coastside.net. I cannot afford to use the only other option in my area which is Comcast. Broadband services are critical to my small home-based business. I support broadband competition. Please do not allow the big companies to raise prices and cut off competition.
