**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. After years of living under ISP monopolies and having little to no choice, I switched to a local ISP. I am now paying lower prices than before, and my internet speed is more than 100 times faster. We need competition to stay ahead of the technological curve in the world!
