**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need broadband for our everyday life - school, work, and home use. We need choices to get best prices for families and small companies like Sonic are doing a great job in keepthe marketplace competitive. My family has had the same phone number for twenty years and I have used many telephone companies. For the same reason, I support a competitive market with big and small providers. I do not support this bill.
