**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently a customer on Sonic fiber optic Internet provider at home. I want to have choices of internet provider I can choose from. I am happy with my service of internet and telephone and do not prefer just having limit internet provider which can control their pricing. I like my sonic fiber optic internet for my home cause I can stream movies, games and play video games without having to buffering the streaming. So I do not want to limit internet service providers but like to have more competitions and chooses.
