**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast was continually jacking up rates, bait-and-switch tactics, etc. I recently heard about Sonic: Internet, telephone & television= \$40/month. I've been with them for almost one year. Great customer support, excellent ISP & speed. This is a true US of A company.

Please keep competition open; it works.
Thank you,

P.S.: Comcast had the gall to give me a bad credit 'ding', even though I provided all of the documentation associated with agreed rates, service rep's names, etc.

ROGER CLEGG
