**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I understand that multiple members of Congress have introduced or are planning to introduce compromise net neutrality bills.

Broadband is critical to my home and business: my family and I use the internet for school, work, and recreation.

A free and open Internet is essential for a free society. I urge you to defend existing net neutrality protections. Protect my rights, not ISP profits.
