**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband and competition is critical to keeping prices low. I want options. I want my fiber delivered into my home without being blocked by access rules.

I have a landline and want to keep that competitive. Competition keeps prices in check. That is the only way to protect the small consumer voice
