**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In this era of massive corporate consolidation, none of which has been good for consumers, I urge you to remember that monopolies and oligopolies in the end, benefit no one except the already rich. Rising prices and worsening customer service are the end results of diminished or non-existent competition. Competition is required for a healthy and robust economy.
