**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After a number of years with very few options for my broadband, recently Sonic came to my area. For a good price, I've been able to get faster internet than I had before. I like their focus on the customer. Broadband is critical for my home and family, as well as for me to be able to sometimes work for home. I support broadband competition.
