**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an elderly user of the Internet in Davis, California.

For many years I have been connected to the Internet through a small, local company. The staff there is small and they have always provided prompt, helpful service when I called with problems. I believe they do not share information about me or my activities the way the large national companies do.

My local provider tells me that if the law is changed as proposed it will not be able to provide the service I am receiving! Do Not Change the Law!
