**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We love Sonic gigabit fiber. It is way better than the ATT DSL and Comcast cable.
Please make sure that these local installers can continue to be competitive.
Allowing the big phone companies to shut out the smaller companies will make it harder for
everyone to use the internet. The US is already behind many developed nations.
