**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After multiple searches after my AT&T internet service hiked prices, I settled on Sonic. The 'big' service providers did not offer what I was looking for at the rates I was looking for. Sonic did and their service has been nothing short of spectacular.

My wife is self-employed and is highly dependent on fast and reliable service which is exactly what Sonic provides.

I am a customer who supports broadband competition.
