**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because they:

1. respect my privacy
2. provide a great service at a lower price
3. provide advanced features and services that aren't available from the Telco.

I went to Fiber from DSL provided by a competitive provider, but regretted that move. I've now switched back to a competitive provider.
