**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support broadband competition.

I used to be on Comcast cable and switched to Sonic.net fiber and could not be more pleased. I am enjoying much faster speeds, excellent service and uncapped bandwidth at competitive prices.

With the faster speeds and uncapped bandwidth my family is able to stream to multiple devices and I am able to remotely connect to my workplace at the same time. This was something that was problematic with cable unless we upgraded to a higher tier of service.

Please do not put up road blocks to the local internet providers who have great service and pricing.
