**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep the competition. Not long ago we were stuck with a single provider that was more interested in selling extras and fee increases than customer service. Thanks to deregulation in this area we now have options and were able to find a provider that reliably provides the service it promises at the agreed price without nickel and diming us at every opportunity. Capitalism finally works for the people in this sector of the market.
