**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

1. choosing a competitive provider to avoid any monopoly.
2. "NO" to price hikes that will increase the cost of internet and telephone services.
3. broadband is critical to home, business or school.
4. happy with fiber today but were previously connected with competitive DSL.
5. in a rural community, local broadband providers are very critical.

Sincerely,
Sonic customer

Vivian Lui
