**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. It is important to maintain affordable Internet service and access to those who depend on it. I also had dsl and have been connected to fiber and competitive phone service thru my local provider. Please consider those who support freedom of market choice.

Thank you.
