**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a proud subscriber to a local broadband company, who provides excellent customer service, at good prices. I choose to pay a bit more, for a healthy competitive market. You'll definitely lose my business if forced to select between only one or two national providers. I believe in the American system of competitive pricing for the benefit of all people. The greed of large companies is making us enemies across the world, and we are losing our foothold of a strong economy quickly.
