**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having been frustrated by the cost and abysmal customer service of Comcast over the years I was delighted to have the option to use Sonic's service. Since I switched to Sonic I have had no issues with either the service itself or the seemingly random price increases associated with Comcast. I also very much appreciate that I do not receive regular sales calls as I did as a customer of Comcast. As the father of a new born I rely heavily on a reliable fast internet to enable me to work from home as required.
