**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please stop AT&T and save Sonic company. They charge reasonable price and provide a great service. The speed is great, and it's reliable. All of these, because Sonic provides fiber-based Internet at amazing speed. We need companies like that, who can compete against monopolistic giants such as AT&T, Comcast, etc.

Thank you for your kind consideration.
