**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a residential Sonic customer since theyre available in my area. So far theyre the best, most reliable company Ive ever had. And I do rely on this company. For the price that I paid monthly, its way better than at&t and Comcast because they use fiber optic. Before I switched over, at&t only can offer me DSL and have a cap on my internet usage. As a long time California resident, I think a company like Sonic should stay to compete so we can have more choices and better service.
