**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a subscriber of Sonic due to the very poor service provided by AT&T and Comcast in my area. Sonic provides service through AT&T's lines in my area and is the only independent ISP with broadband here. With the current proposals before the FCC, AT&T could significantly raise the costs on my service, or even eliminate it altogether. I've been burned by bad ISPs in the past, please support the ability for independent ISPs such as Sonic to continue to operate without onerous barriers by the large ISPs.
