47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer these companies are the only thing that hold back prices from becoming outrageous!

I was an ATT customer for years and the prices SOARED! I was suddenly after a few years paying pocketbook numbing prices. So I switched to company which also has Towers closer by for better connection.

Within a week of changing service ATT suddenly decided: Oh we are happy to announce that if you switch back we can lower our rates by 50%!!!! Yes I had been a loyal customer for decades so only now that I am leaving you can make it affordable again? Back to my original fee???

I think not.

We need the competion!!! Or it will become a complete monopoly!
