**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

i chose Sonic, as an alternative to our local internet/cable monopoly. Sonics prices were cheaper and technology faster than what was in place at that time. Competition is important in this industry, please preserve it and do not approve the USTelecom petition. Preserve the competitive marketplace and discourage monopolies.
