**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and who supports broadband competition and rely on these services.

I believe the internet is a basic human right and price hikes should be out of the question. If anything, prices should be lowered so that more people can access the vast ocean of information online.

Thank you.
