**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose my competitive provider because it has exactly what I want at a reasonable price. Many customers are loyal supporters of it. Only through competition can we make choices that are right for us.

I definitely DO NOT want price hikes that could make it impossible for me to communicate by telephone and computer, as I now do. Consumers are entitled to choose among services that are offered for the best efficiency and price, that a monopoly will not care to provide. I support broadband competition absolutely. It's vital to me for my home and my work!
