**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important to me that I have an option of choosing a local provider. I live in the Bay Area where the internet is everywhere but for my house I chose a provider called Sonic. Sonic is an independent company that is driving fiber to houses once there are enough people in your area that have bought into their services. I value them and what they provide. Please reconsider these changes.
