**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We NEED broadband competition. We are slowly sliding back in the world rankings because big businesses are shutting down competition and so the people of the US are having a hard time getting the information to stay competitive in the world market.

Dont let this happen, keep competition alive so we get better and faster internet.
